

Dear Students & Parents,

The faculty of Our Lady of Sorrows School is excited to offer a new after school Club Program this year. Like our students, our teachers have many different hobbies and interests, and they would like to share these with you. Each teacher, or pair of teachers, has created a club that is a fun way to learn something new, offers the opportunity to hang out with friends, and hopefully make some new friends. There are clubs for all ages and interests, and they will be offered from 2:30 to 3:30 PM on specific days over the course of the year. You may participate in as many clubs as you wish, and there is no cost to join any club. Attached is a list of the different clubs, the name of the teacher who is offering the club, the meeting dates, and a brief description. The only requirement is that you must complete the attached permission slip for each club you join and return it to the teacher prior to the start date of the club. Pick up will be at 3:30 PM at Door #3 (where ASP is located). Additional copies of the permission slip and the club dates will also be on the Our Lady of Sorrows School website in the eBackpack section.

We are hoping every student takes the opportunity to participate in at least one of these groups. As a faculty we are looking forward to getting to know you better, as well as sharing some knowledge and having some fun outside of the traditional classroom!

If you have any questions, please don't hesitate to contact me. I look forward to seeing the students having some after-school fun!

Thank you,

Mrs. Maureen Tuohy
