PRESCHOOL

APPLICATION INFORMATION

Preschool Parents,

Thank you for your interest in learning more about our Preschool. We are so excited and happy to welcome you to our new Preschool Program which begins in September 2017. Like all Catholic Schools, we offer a rich faith based education in a safe, comfortable, fun and loving environment in which your child will thrive.

We are currently accepting registration for our 2017-2018 school year and you will find important information in this packet required to enroll your child in our Preschool Program.

We take very seriously your confidence in us by giving us the opportunity to love, care for, and educate your child. We know that a good experience for your child is most important and we will take every step possible to ensure that your child is provided a setting that is safe, comfortable and full of fun and learning.

Please read the all the information carefully and select the sessions that best meet your needs. Please indicate which days you require if your choice is less than five days. You may wish to make a second choice if a class is filled. Early registration gives you the opportunity to get the classes you prefer. If you have a special scheduling need, please contact our office and we will do our best to accommodate your needs.

If there is any problem accepting your registration, we will let you know as soon as possible. Once your application is accepted, a formal communication will be sent to you along with pertinent forms for completion during the summer months.

To register, please fill out all the information in this packet. Our sessions can fill up quickly, so please mail or drop off your registration forms as soon as possible. The completed forms and your \$80.00 registration fee will put your child on a class list for the 2017-2018 school year. This fee includes the fee for School Messenger, an instant communication system we will be using for closings, delays, dismissals and reminders. Please note that registration and tuition fees are non-refundable

Parents who enroll siblings in Preschool and have children in the elementary school will receive a 5% discount on our preschool yearly rate.

If you have any questions, please call our bookkeeper Linda Campisi at 609-587-4140 or email Linda at lcampisi@olsschool.us.

Most Sincerely,

Donald Costantino
Principal

Maureen Tuohy
Vice-Principal
