

Day of Service Project – April 27, 2018

We are excited to be a part of a Diocesan Day of Service project, called **“Hearts to Hospitals: Hearts to Lead – Hearts to Help.”** The focus of this service project is to collect, package and distribute items to sick children (babies – 17) and their families at local hospitals in Burlington, Mercer, Monmouth, and Ocean counties. Additionally, we will be collecting, packaging and distributing candy bags for caregivers of these children (all hospital employees who assist with the children). What an awesome way to offer our children a chance to help other children within our local area!

On the back of this sheet is a list of requested items, broken down by grade. All students are encouraged to make a contribution, whether a gift card and/or selected item. We are asking that all donations are brought into school by Thursday, April 26th. On April 27th our students will be making the care bags and delivering them to our local hospitals.

Remember, you can purchase the gift cards directly through our school’s SCRIP program, and we will donate the cards to the hospitals. You may contact our Scrip Coordinator, Linda Campisi, at 587- 4140 for more information.

Thank you for helping us help others!
