

OUR LADY OF SORROWS
PRE-K - 8
CATHOLIC ELEMENTARY SCHOOL

Celebrating Excellence for Over 60 Years

Warmest Greetings,

Thank you for your interest in learning more about our school. I am so happy to welcome you and share a little about Our Lady of Sorrows Catholic School. We offer a private Catholic Pre-Kindergarten through Grade 8 program. Our students come from across the tri-county area in New Jersey, and a number of our students travel from nearby Bucks County Pennsylvania. Our students have had a history of success as they move forward in secondary education, and demonstrate their leadership and academic skills in several competitive high school programs.

Like all Catholic Schools, we offer a rich faith based education. At OLS we explore our faith using the Diocese of Trenton approved curriculum while enhancing it with technology and hands-on learning. Our extensive community service programs allow our children to develop social awareness as well as leadership skills. Our rich technology program expands the students' skills in order to enhance their learning. Our Arts program supports the students with instrumental, vocal and dramatic experiences. OLS offers a variety of clubs and groups for students to become involved in public speaking, select choir, publishing and peer leadership.

OLS offers a safe and loving program in which your child will thrive. I am always available to answer your questions. Please feel free to contact me. I love to share the excitement of learning at Our Lady of Sorrows Catholic School!

Sincerely,

Donald Costantino
Principal
