

OUR LADY OF SORROWS
PRE K-8 CATHOLIC SCHOOL

"Our Lady of Sorrows Elementary School provides an atmosphere rooted in the Catholic faith, dedicated to individual academic excellence while preparing life-long learners and responsible Christian adults."

Welcome to Our Lady of Sorrows School! Making the decision to send your child to a Catholic school is such an important decision, and has a lasting impact on the educational, social and spiritual development of your child. For over 60 years, Our Lady of Sorrows has filled those needs by providing an atmosphere that allows all students to thrive and develop in a faith-filled, creative, and supportive environment. Our students have a history of success as they move forward to the secondary level, and demonstrate their leadership and academic skills in many competitive private and public high school settings.

Experiencing a Catholic preschool through 8th grade environment allows our students to develop a sense of community, security and familiarity with each other, the faculty and staff. Our teachers are dedicated to providing our students with an academically challenging education, a deeper understanding of our faith, and a moral awareness of the importance of service to others. The individuality of each student is valued, as evidenced by our music and arts program, our athletic teams and our varied school clubs. All students have the opportunity to excel, and are encouraged to be the individual God created them to be.

Thank you for your interest in Our Lady of Sorrows School. As principal, I take pride in our welcoming atmosphere, our dedication to academic excellence, and our development of life-long learners and responsible Christian adults. I love to share the excitement of learning and faith formation at Our Lady of Sorrows School. I encourage you to come visit us and see what we are all about!

Sincerely,

Maureen Tuohy
