

OUR LADY OF SORROWS
PRE K-8 CATHOLIC SCHOOL

"Our Lady of Sorrows Elementary School provides an atmosphere rooted in the Catholic faith, dedicated to individual academic excellence while preparing life-long learners and responsible Christian adults."

Warmest Greetings,

Welcome to Our Lady of Sorrows School! Thank you for your interest in learning about our school. We are a Pre-Kindergarten through 8th grade school, with a rich, faith-based, educational history spanning over 60 years. Our students have a proven history of success as they move forward in secondary education, and demonstrate their leadership and academic skills in many competitive high school programs.

Like all Catholic schools, we offer a rich, faith-based education. At Our Lady of Sorrows, we explore our faith using the Diocese of Trenton approved curriculum while enhancing it with technology and hands-on learning. The faculty and staff are committed to providing your child with a comprehensive Catholic education. We fulfill our Catholic mission through extensive community service programs which allow our children to develop social awareness as well as leadership capabilities. The expansive technology program expands the students' skills to enhance their learning and make them productive members of the 21st century. Our Arts program supports the students with instrumental, vocal and dramatic experiences. Our Lady of Sorrows offers a variety of clubs and groups for students to become involved in public speaking, select choir, athletics and peer leadership.

Faithful to our mission statement, we provide an atmosphere rooted in the Catholic faith, dedicated to academic excellence, while preparing life-long learners and responsible Christian adults. Our Lady of Sorrows offers a safe and loving program in which your child will thrive. I am always available to answer your questions, and love to share the excitement of learning at Our Lady of Sorrows Catholic School!

Sincerely,

Maureen Tuohy
Principal
