

2018 Knight to Remember Gala Voucher Selection Form

As you know, OLS School has implemented a non-refundable fundraising fee to support the Gala. You are being given the opportunity to select a voucher (or combination of vouchers) equal to the \$300 fundraising fee that you paid at the time of registration. These items are defined in the attached Addendum A.

As shown in the addendum, except for the event ticket, you may sell a combination of program book space and/or raffle tickets to recoup part or all of the fee you paid. However, please note that if you do not complete and return this form by October 1, 2018 you will receive nothing for the fee you paid.

Below are the only possible combinations/values that you may select:

- 1 event voucher (\$100) + 1 program book page (\$100) + 2 raffle book (\$50) = \$300
- 1 event voucher (\$100) + 2 full program book pages (\$200) = \$300
- 1 event voucher (\$100) + 4 raffle books (\$200) = \$300
- 2 program book pages (\$200) + 2 raffle books (\$100) = \$300
- 1 program book page (\$100) + 4 raffle books (\$200) = \$300
- 3 program book pages (\$300)
- 6 raffle books (\$300)

Additionally, if you are able to fill an entire table at the event (10 seats) you will have the opportunity to earn back all or part of your fundraising fee. Please note that no credit will be given for a partial table, all ten seats must be filled by the seller. If you use an event ticket yourself and sell nine full-price tickets (\$125 each), you will receive credit for \$200. If you choose not to attend but sell ten full-price tickets, you will receive credit for \$300.

Please return the completed bottom portion to the school office no later than October 1, 2018
