

ADDING GENESIS PARENT ACCESS TO YOUR MOBILE PHONE HOME SCREEN

Below are instructions for downloading a mobile app to your mobile phone. Although this is not a fully functioning app – it is more of a bookmark, it does allow for easier use of the Parent Access portal when using a mobile device. Because there are so many different phone versions, and all may bookmark somewhat differently, so the instructions below are general. Each phone version may be subject to its own nuances in the installation.

FOR IPHONE

- Click on Safari or the web browser on your iPhone
- Enter the parent portal address in the URL window - <https://parents.dioceseoftrenton.org>
- You will now be at the mobile Genesis Parent Portal website – click on this button

at the bottom of your screen

- Click on the button - Add to Home Screen 
- Click on Done
- The Genesis icon will now appear on your home screen – click and login using your credentials

FOR ANDROID

- Click on web browser on your Android
- Enter the parent portal address in the URL window - <https://parents.dioceseoftrenton.org>
- You will now be at the mobile Genesis Parent Portal site - -click on the 3 dots
- Click the button Add to Home Screen
- The Genesis icon will now appear on your home screen – click and login using your credentials
